

Start-Up! Entrepreneurship Club

A virtual entrepreneurship club for teens

Project ECHO invites teens to join its virtual entrepreneurship club and participate in activities, learn from guest speakers and gain exposure to the start-up world.

About The Club

Start-Up! Entrepreneurship Club is a student-led initiative sponsored by Project ECHO, a nonprofit established in 1996 to introduce entrepreneurship to our youth through formal programs and activities. The Club was founded amid the pandemic to meet the after school entrepreneurial interests of students. Students have the opportunity to participate in leadership roles, in addition to serving on committees to help develop the goals and outcomes of the Club while building personal and college resumes.

Spring 2021 Meeting Information and Dates

Mondays 7:00-8:30PM PST
On Zoom.

April 12, 26, May 10, 24
June 7, 14

Club Benefits

- ☉ Meet and engage in conversations with entrepreneurs from across multiple industries
- ☉ Attend virtual field trips and visit start-ups
- ☉ Learn about design thinking and participate in design challenges and put into action the steps to ideate and create a business
- ☉ Create a business pitch and deck
- ☉ And as a student-led club, the agenda will remain dynamic and focused on student interests
