

2025 Sponsorship Opportunities

Project ECHO's annual Teen Entrepreneurs Business Plan Competition is a "Shark-Tank-Style" capstone event for a semester-long business/entrepreneurship program. Students worked in teams to identify a community-based problem, ideate a solution, and transform it into a product or service followed by an actionable business plan and pitch deck. More than 70 teams from several states are expected to compete, with 11 winning college scholarships.

This premier event connects 500+ attendees, including students, educators, and industry leaders.

Sponsorships help underwrite the event and fund scholarship awards.
Join us! Sunday, May 4, 2025, at CSU, Dominguez Hills, Carson, CA

Age Demographics of Event Attendees:

13-19 years old – 65%

20-35 years old – 15%

36-99 years old – 20%

53% male * 47% female
