

Julie Broady  
Project ECHO Advisory  
Board Member

Public Speaking

Julie Broady first joined the Project ECHO family as a judge for our annual Launching ECHO competition in 2018. She has since served on our National Board of Directors and is currently serving on our Advisory Board to support the vision of our leadership team.

Professionally, she is a Financial Advisor serving clients for 25 years and has a background in public accounting and audit for Deloitte and PricewaterhouseCoopers. She credits Toastmasters International since 2001 as a resource to help perfect her "pitch" for making presentations and becoming a confident speaker.
